

BRICK

WORKSHOP 03

02 July 2014
10am-4:30pm

Devonport Guildhall
Ker St, Plymouth
PL1 4EL

Are you part of an exciting heritage regeneration project? Want to meet like-minded community groups from the South West of England and further afield, learn from experts and get inspiration for how to move your project forward? Then our BRICK (Building Resources, Investment and Community Knowledge) workshop could help!

The workshop is designed primarily for groups working to save their local heritage and build a better future for their communities. It will feature presentations, interactive sessions and a tour of the venue, and cover a range of topics including:

- Board of trustees - roles and responsibilities, life cycle
- Engaging the wider community during project development – why, how and when
- Achieving a greater impact with your project by linking with other initiatives and projects in the area
- Setting up a new business and managing your money - things to consider.

Speakers include representatives of the Real Ideas Organisation (RIO), Harvey's Foundry Trust, Noema Research and Planning, NatWest and The Prince's Regeneration Trust.

For further information and a link to the registration site please go to:
