

## **Ocean Studios COVID-19 guidelines**

Ocean Studios is a vibrant creative community offering space to make, interact and learn. The health and safety of the community, our members and visitors is our foremost priority. We have developed a set of COVID-19 guidelines to ensure our spaces are safe whilst offering an enjoyable experience.

Throughout your time at Ocean Studios, we ask that you work with us by following our guidelines.

- On arrival please wait in the outside marked area until a member of our team greets you. In line with government regulations, we will ask for contact details from you for Track and Trace purposes.
- Please observe social distancing whilst at Ocean Studios.
- Follow our one-way system and signage which has been designed to maintain physical distance.
- Use the hand sanitiser or hand washing facilities provided at entrance and toilets.
- Please remain seated, we are providing table service. A member of our team will be happy to take your order from your table.
- If you would like a table inside, please pre-book via the Real Ideas website.
- If you feel at all unwell before your visit, please do not visit and instead contact us to cancel your booking.
- If you have pre-booked a table, please arrive as close to the time of your reservation as possible to manage the number of people in the building.
- If you would like takeaway, this does not need to be pre-booked. Please wait outside whilst we prepare your order and we will bring it to you.
